Perceptions

Perceptions Summary

Weslaco East High School was awarded the distinction of having a Weslaco East Early College (school within a school). The school prides itself on integrating all stakeholders in decision making and celebrations. We are well known for being a close-knit family school. All students and staff support each other towards a common goal, which is to accomplish the mission and vision of Weslaco East High School and Weslaco East Early College High School.

The school has a positive and safe learning environment for all staff, students, parents, and all community members. As a school, we make sure that our students and Staff are prepared for any emergency. In order to establish a safe school environment, we conduct fire drills once a month and practice lockdown procedures. We also have established hurricane procedures. Security Officers and Administrators are on duty before school, during school, and after school (throughout the day). A Tardy Station program is in place to discourage tardies and encourage students to be in class on time. We have an Attendance Force Task Committee (ATF) made of professionals and paraprofessionals who monitor tardies and are proactively calling parents of students who are absent during the day. We believe that in order for students to be academically successful, they need to be in class for bell-to-bell instruction.

At Weslaco East High school, we have a college-going culture. We have a Family and Student Advocacy classes twice a month during an extended second block, where teachers and students discuss college admission process and financial aid process. Our dynamic counselors hold Junior Conferences with parents and students to discuss college courses offered on campus, college applications, and financial aid applications. We are a Texas Success Initiative testing site, so our students sign up to take the test as needed. We also have an Advance Placement Program and Dual Enrollment Program on campus. Through these programs, students have the opportunity to earn college credits. All our seniors are encouraged to complete ApplyTexas college application through the English classes and Financial Aid application through the Social Studies classes. Students also take the ACT and SAT starting their junior year.

The Weslaco East Early College High School serves students interested in obtaining an associates degree at the same time as their high school diploma, and prepares our students through rigorous, engaging and innovative instruction. The college going culture on campus goes hand in hand with promoting Early College High School initiatives for our students, including our incoming students from the feeder middle schools.
