### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1 (Prioritized):** There is a need for improvement for all core area content on STAAR 6-8 for all students including the specific populations of ELL. **Root Cause:** Identified students lack foundational reading skills (fluency, vocabulary, and comprehension)

**Problem Statement 2:** SpEd students in all grade levels are not meeting STAAR standards at the same rate as non-SpEd students. **Root Cause:** SpEd students are below grade level and STAAR test is on grade level.

**Problem Statement 3 (Prioritized):** There is a need for improvement for Reading STAAR 6-8 for ALL students including the specific subgroup of SpEd students. **Root Cause:** Identified students lack foundational reading skills (fluency, vocabulary and comprehension).

# Student Learning

## Student Learning Summary

Mary Hoge Middle School is focused on providing **all students** with a rigorous and relevant education which aims to develop critical-thinking skills and enables **all students** to become active participants in their own learning through student-centred instruction.

2016-2017 Index I: Student Achievement; that state requirement is 60 and MHMS scored 70

2016-2017 Index 2: Student Progress; the state requirement is 30 and MHMS scored 36

2016-2017 Index 3: Closing Performance Gaps; the state requirement is 26 and MHMS scored 39

2016- 2017 Index 4: College Readiness; the state requirement is 13 and MHMS scored 28

## Overview of 2018 Accountability System

### State Accountability Ratings

The state accountability system assigns a letter grade to each district and campus - based on performance in three different areas or domains: student achievement, school progress, and closing the gaps.

Domain I: Student Achievement measures whether students have met grade level expectations as measured by the STAAR test. This domain also takes into account graduation rates and college, career, and military readiness (CCMR).

Domain II: School Progress measures how much better students perform on STAAR tests from year to year.

Domain III: Closing the Gaps measures the performance of student population subgroups in comparison to state goals.

### 2018 Accountability

### MHMS Score

Domain I: Student Achievement:

**74**

Domain II: School Progress:

85

Domain III: Closing the Gap **75**

There is a need for improvement in the Student Success component of Domain I and III (Student Achievement and Closing the Gaps).

A comparison of STAAR 2017 and 2018 scores indicates an improvement needed in the Approaches level for writing.

All Grade Levels	2017	2018
Reading	63	66
Math	78	79
Writing	70	63
Science	78	78
Social Studies	61	69

The 2018 STAAR scores include performance levels of Masters, Meets, Approaches and Did Not Meet Grade Level Performance. The approaches category indicates that students are likely to succeed in the next grade or course with targeted academic intervention. The meets category indicates that students have a high likelihood of success in the next grade or course but may still need some short-term, targeted academic intervention. The Masters category indicates that students are expected to succeed in the next grade or course with little or no academic achievement.

### **Problem Statements Identifying Student Learning Needs**

**Problem Statement 1 (Prioritized):** Based on the Student Success component of Domain III Closing the Gap, there is a need for improvement in all core area subjects on STAAR 6-8 for EL students (current and monitored) **Root Cause:** There is a lack of sustained professional development for all teachers servicing the bilingual and ESL students to best meet the specific English learner needs.

**Problem Statement 2 (Prioritized):** Based on the Student Success component of Domain III Closing the Gap, there is a need for improvement in all core areas subjects on STAAR 6-8 for Special Education students. **Root Cause:** There is a lack of professional development in collaborative planning between general and special education teachers servicing Special Education students to best meet the Special Ed learner needs.

**Problem Statement 3 (Prioritized):** Based on the 2018 STAAR performance data, there is a need for improvment in Writing in grades 7 **Root Cause:** There is a lack of professional development for all content area teachers to best meet learner needs with emphasis on special populations.

**Problem Statement 4 (Prioritized):** Based on parent and community survey , there is a need for students to depend on campus hot spots and learn technology skills, apps, platforms, and other virtual **Root Cause:** The poverty level does not afford families to internet connectivity for students to experience digital learning.

# School Processes & Programs

## School Processes & Programs Summary

MHMS fine arts department offers band, orchestra, choir, folkloric dance, art and theatre arts classes. All MHMS students have the option to compete in UIL events based on either academic and athletic programs. All MHMS students have the option to participate in advanced academic classes such as English I, Algebra I and Geometry if they meet the criteria. Eighth-grade students can also take Spanish I and earn high school credit. The following sports are offered to 7th and 8th-grade students: baseball, soccer, basketball, volleyball, softball, football, tennis, swimming, cross country, track, and golf.

Mary Hoge Middle School students are scheduled into four core area eighty minute blocks and two forty minute elective classes. The core subject areas meet twice a week for department planning staff development and twice a month for a technology staff development. Each teacher also has a conference period that is utilized to work on lessons and assessment design, analyze data, examine instructional strategies to improve student performance. MHMS teachers use a variety of technology-enhanced lessons in the classroom. Our campus is a Bring Your Own Device (BYOD) campus. Students are able to bring and use their own devices for instructional purposes. The technology resources at MHMS include teacher-issued laptops, desktops for classrooms, iPads and chrome books for staff and student use. The technology coordinator for MHMS provides technology support and professional development for staff and students.

Mary Hoge Middle School staff is highly trained for virtual learning and have demonstrated effective use of technology to engage students in learning and content mastery.

## School Processes & Programs Strengths

- All teachers meet once a week to review data, reflect and learn strategies for the diverse learner as a professional learning community.
- Core teachers meet in grade level meetings once a week to plan and develop common formative and summative assessments, lesson design, interventions and data analysis.
- Teachers compile data binders to increase student performance.
- Teachers implement best practices.
- Teachers and student have a wide array of technology available.
- Bring Your Own Device (BYOD) policy leads to wider technology access and educational implementation of technology.
- Consistent replacement of technology ensures access to up-to-date hardware and software for educational purposes.
- Vertical alignment is present in core subjects.
- Teachers implement the use of TEKS resource system and follow the scope and sequence and year at a Glance and the Instructional Focus Development Plan.
- English I, Algebra I, Geometry and Spanish I are advanced courses available to 8th grade students who meet the criteria.

## **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1:** Low parental involvement and outreach opportunities. **Root Cause:** Parents disengage in the secondary schools as students become independent.

**Problem Statement 2:** Integrated technology for differentiated instruction is low. **Root Cause:** Lack of technology follow up after staff development.

# Perceptions

## Perceptions Summary

Mary Hoge Middle School is a Lead school. All staff has been trained to practice the 7 Habits of successful leaders. The 7 Habit lessons are integrated into lessons and provide morning reads with discussions once a week in their homerooms. MHMS has a lighthouse committee composed of empowered teachers and action teams that drive the leadership on campus. Students have Leader in Me journals which allows them to reflect about the 7 Habits. Students also have a leadership binder where they keep track of their goals and assessments every six weeks. The 7 Habits allows students to be responsible of their own success and prepares them for a college and career mindset.

MHMS staff and teachers meet as a community once a month to celebrate birthdays as well as reflect on the month that passed and the month to come. MHMS highlights the staff of the month by providing them with an hour lunch and staff of the month parking. Staff also engage in biWeekly pepRallys to promote the winning culture of the campus.

MHMS staff celebrates by selecting the Super Reader of the month for each department. Student pictures are displayed outside of every classroom. Students who make A or B honor roll receive a celebration party and names are displayed on the main hallway bulletin. Students on the A and B Honor Roll list participate in a celebration every six weeks and participate in a field trip at the end of the month.

MHMS meet twice a week for professional learning, data stratification, reflection, collaboration and planning.

### Demographics

**Problem Statement 3:** There is a need for improvement for Reading STAAR 6-8 for ALL students including the specific subgroup of SpEd students. **Root Cause:** Identified students lack foundational reading skills (fluency, vocabulary and comprehension).

### Student Learning

**Problem Statement 1:** Based on the Student Success component of Domain III Closing the Gap, there is a need for improvement in all core area subjects on STAAR 6-8 for EL students (current and monitored) **Root Cause:** There is a lack of sustained professional development for all teachers servicing the bilingual and ESL students to best meet the specific English learner needs.

**Problem Statement 4:** Based on parent and community survey , there is a need for students to depend on campus hot spots and learn technology skills, apps, platforms, and other virtual **Root Cause:** The poverty level does not afford families to internet connectivity for students to experience digital learning.

**Performance Objective 2:** By spring of 2021, the number of students who score at the Approaches Grade Level or Above on the Math STAAR will increase to 90%.

In addition, the percentage of Algebra I students who score at the Masters Level on the EOC assessment will maintain 100% approaches but will increase in Masters in the sub groups.

### Demographics

**Problem Statement 1:** There is a need for improvement for all core area content on STAAR 6-8 for all students including the specific populations of ELL. **Root Cause:** Identified students lack foundational reading skills (fluency, vocabulary, and comprehension)

**Problem Statement 3:** There is a need for improvement for Reading STAAR 6-8 for ALL students including the specific subgroup of SpEd students. **Root Cause:** Identified students lack foundational reading skills (fluency, vocabulary and comprehension).

### Student Learning

**Problem Statement 1:** Based on the Student Success component of Domain III Closing the Gap, there is a need for improvement in all core area subjects on STAAR 6-8 for EL students (current and monitored) **Root Cause:** There is a lack of sustained professional development for all teachers servicing the bilingual and ESL students to best meet the specific English learner needs.

**Problem Statement 2:** Based on the Student Success component of Domain III Closing the Gap, there is a need for improvement in all core areas subjects on STAAR 6-8 for Special Education students. **Root Cause:** There is a lack of professional development in collaborative planning between general and special education teachers servicing Special Education students to best meet the Special Ed learner needs.

**Problem Statement 3:** Based on the 2018 STAAR performance data, there is a need for improvment in Writing in grades 7 **Root Cause:** There is a lack of professional development for all content area teachers to best meet learner needs with emphasis on special populations.

**Problem Statement 4:** Based on parent and community survey , there is a need for students to depend on campus hot spots and learn technology skills, apps, platforms, and other virtual **Root Cause:** The poverty level does not afford families to internet connectivity for students to experience digital learning.

**Performance Objective 7:** By Spring 2021, the percentage of Special Education students who score at the Approaches Level on the Reading STAAR assessment will increase from 25% to 30%, Math STAAR from 43% to 47%, Science 21% to 26%, and Social Studies STAAR from 28% to 30%.

## Strategy 1: ELAR curriculum

Teachers will use probing questions to clarify and extend reading vocabulary both virtually and in person.

Teachers will promote increased literacy and reading comprehension through a variety of genres by adapting lessons based on individual needs both virtually and in person.

Teachers will promote increased writing skills by providing opportunities for students to create, self-monitor, and self correct writing samples.

### Math:

Teachers will use probing question strategies to clarify and extend math vocabulary.

Teachers will increase readability of words problems for student self monitoring and self correcting for math story problems.

Teachers will increase student listening skills for comprehension to adjust math instruction. Under Math section of curriculum add:  
Teacher will use task analysis to increase and demonstrate understanding.

### Science:

Teachers will use probing questions to clarify and extend science vocabulary.

Teachers will spiral the use of process skills and measuring skills to address individual needs.

### Social Studies:

Teachers will use probing questioning strategies to clarify and extend social studies vocabulary.

Teachers will teach critical thinking skills to integrate student reading and writing skills .

Teachers will reemphasize geography skills to increase student real world connections in culture and government.

-Teacher will use graphic organizers and hands-on activities to increase organizational skills and demonstrate understanding and comprehension.

-Teacher will use collaborative learning model to develop vocabulary, comprehension, and knowledge of subject.

**Strategy's Expected Result/Impact:** Increase performance in Special Education populations in teacher assessments, CBAs, district benchmarks, and STAAR, Administration

**Strategy 1: Curriculum**

- a) Students will listen to, repeat after, and imitate speech by teacher and other speakers of Spanish. They will hear and emulate native pronunciation and intonation as they increase their listening comprehension and speak with vocabulary appropriate for Spanish I.
- b) Students will read textbook, websites, periodicals to gain reading comprehension skills, such as decoding cognates and Latin derivatives. They will discuss by answering oral or written questions.
- c) Students will learn writing skills including spelling in printed material. They will increase skill in both use of the computer keyboard, including changing keyboard into Spanish, and in writing by hand. Standard writing skills, such as the use of the writing process, will be transferred to Spanish. A journal will be kept as well.
- d) Students will learn about the culture of Spanish-speaking people in Mexico and other Spanish-speaking countries and learn of Spanish speakers in this country. They will learn related history, geography, art, and other aspects of culture as they have affected our students and as they are current events. They will learn famous people from other countries and eras and will also learn how culture, education and language can affect career opportunities.
