

Independent Registered Municipal Advisor Certificate

February 26, 2016

By publicly posting the following written disclosure, Weslaco Independent School District (the "District") intends that market participants receive and use it for purposes of the independent registered municipal advisor exemption to the SEC Municipal Advisor Rule.

The District has retained First Southwest Company as an independent registered municipal advisor ("Municipal Advisor"). The District is represented by and will rely on its Municipal Advisor to provide advice on proposals from financial services firms concerning the issuance of municipal securities and municipal financial products (including investments of bond proceeds and escrow investments). The individuals with primary responsibility for advising the District on such matters are Cris Vela, Anne Burger Entekin, Andre Ayala and Jorge Delgado. This certificate may be relied upon until December 31, 2016 or otherwise withdrawn by us.

Proposal review by the Municipal Advisor will be at the direction of the District and subject to the professional judgment of the District and First Southwest Company. The District in its sole discretion may choose which proposals will be reviewed, and may choose to request the Municipal Advisor to review or not review particular proposals. By submitting a proposal, a financial services firm acknowledges it has no recourse against the District or First Southwest Company related to any action or inaction with respect to evaluating, commenting on, or responding to proposals received.

At the direction of the District proposals shall be provided to the Municipal Advisor in a searchable PDF format.
