

See More, Save More

Your eyes say a lot about you—from your emotions to vision and your overall health. And, when you're proactive about protecting your eyes, the impact is clear.

Your Blue Cross and Blue Shield of Texas (BCBSTX) vision insurance gives you access to a vast network of independent eye doctors and popular retailers. Your vision benefit lets you score the hottest brands for less.

Locate an eye doctor

Our network has thousands of independent eye doctors and popular retailers. So you can see who you want to see when and where you want to see them. Visit eyemedvisioncare.com/bcbstxvis to find an in-network provider near you.

Schedule an appointment

Schedule an appointment online, call ahead or stop by one of the many eye doctors who offer walk-ins. Most offer evening and weekend hours to fit any schedule.

Use your benefit

When you arrive, present your ID card or simply let the eye doctor know you have a benefit through your BCBSTX vision insurance. Lucky you!

Regular eye exams not only correct vision problems, but can also reveal early warning signs of more serious health conditions such as hypertension, cardiovascular disease and diabetes. So, schedule eye exams annually and you'll be set on a path to better health.
