**Notice to Parent or Guardian for Emergency  
Administration of Unassigned Epinephrine Auto-Injectors**

Dear Parent or Guardian:

In accordance with Chapter 38, Subchapter E of the Education Code, the Board of Weslaco Independent School District has adopted a policy, FFAC (Local), to allow authorized school personnel and/or school volunteers who have been adequately trained to administer an unassigned epinephrine auto-injector to a person who is reasonably believed to be experiencing an anaphylactic reaction. Authorized and trained individuals may administer an epinephrine auto-injector at any time to a person experiencing anaphylaxis on a school campus.

A sufficient number of school personnel and volunteers at each campus have been trained to administer epinephrine. At least one trained individual will be present on campus during regular school hours and whenever school personnel are physically on site for school-sponsored activities.

If you have any questions regarding this notice, please feel free to call: Susan Coffman, RN, Health Services Coordinator at 956-969-6742. Thank you for entrusting us with the education of your children.

Sincerely,

Priscilla Canales, Ph.D.  
Superintendent of Schools
